More Reasons to consider

California 56 Collectors!

- You will be affiliated with NCC (National Council of 56 Clubs), receiving their online national newsletter, THE NCC CONNECTION.
- You will have opportunities to win the club's door prizes, raffles, special raffles and 50/50 drawings!
- You can participate in the club's annual outing, as well as special events sponsored by dealers for our enjoyment.
- You may participate in the Make and Take events, as well as the informing workshops our club offers.
- You may participate in neighboring club's tours and activities.
- Meeting the friends who share your passion for discovering new ways to display your village.

CALIFORNIA 56 COLLECTORS

Join the Fun Share Your Hobby

California 56 Collectors began over 33 years ago as a group of passionate collectors who knew they could learn more as a group than by themselves! And today, that belief still remains! You are invited to join devotees of Dept. 56 and other such branded villages. Great clubs are made of great members. Use this brochure to discover more about us and where to find further information!

Club Meetings

California 56 Collectors is affiliated with the National Council of 56 Clubs (NCC), a parent body designed to grant us the most exposure possible to all things Villages!

The in-person meetings are held on the 3rd Saturday of every other month (Jan, March, May, July, Sept, and Nov) at Knott's Berry Farm. Zoom meetings are held on the 5th Saturday of Feb, April, June, August, October and December.

We begin at 12:00 PM and end by 2:00 PM.

Why Join CA 56 Collectors?

Many of us were possibly just like you! We discovered the world of Dept 56 and other such branded village pieces! What started out as seemingly harmless turned into an obsession as we found new buildings and the obvious need for the accompanying accessories! The first displays were magical to us and we invited friends and family over to see our creation. It was wonderful to share the joy!

Somehow the village(s) grew and still may be doing so! Your display artistry has been taxed and maxed and you feel the need to do something different with your display in your dimensions allotted.

That's where many have found California 56 Collectors the ideal next step! Here one can:

1. Develop new display techniques by helpful experts.
2. Be part of volunteer activities by assisting those who cannot build their own display.
3. Attend Village decorated home tours where large displays, as well as seasonal vignettes are highlighted.
4. Take part in annual outings.
5. Learn effective skills with Make n' Take programs
6. Take part in collector Gatherings!

As a member, you will receive:

- Ca 56 Collectors Bi Monthly Newsletter.
- Up to date information detailing the newest Department 56 building and accessory releases, often from the company's regional rep, Lisa Johnson.
- Newest ideas from programs intended to make the contents applicable to your village.

Mission Statement

"To create an interest in, promote, encourage and develop displays of Department 56 buildings, accessories and related items pertaining to displays".

(Established 18 May 1991)
